

SERMON STUDY QUESTIONS

JUNE 4, 2017

1. Read Ephesians 5:22-33
2. From what is God's vision for marriage cast? Where do we see this in our text?
3. What do we learn about Christ's relationship with His bride, the church, from this passage?
4. Though the words *submit* and *love* (verb, *agapao* in Greek) are in many ways different, what they are requiring is in many ways very similar. Where is the similarity found?
5. If you were to describe in one word God's vision for the marriage relationship, what would that one word be?
6. Practically speaking, how can (and should) a wife put her husband before herself? How can (and should) a husband put his wife before himself? What does the text tell us? Give practical examples and application.
7. How does God's vision for singleness come out in this text?
8. What two things should singles understand in order to help them have a proper vision for their singleness?
9. If you (or someone close to you) is single and wanting to find a spouse, what are four principles that should definitely be kept in mind and applied throughout the process?
10. Pray!
